If you need to design a cream-based product and you don't want to deal with the cost, instability, and availability of dairy-based ingredients, then try a creamer base from Diehl Food Ingredients® instead.

Whether it is a nutritional food or beverage product, soup, sauce, gravy, hot chocolate, cappuccino, frozen dessert, or side dish, a creamer base is the perfect foundation to build your finished product on. What's more, a creamer base can be designed to meet your specific needs with regard to both functionality and nutritional qualities.

So, give us a call today and let us show you how our ingredients can make your product the cream of the crop.
