

Announcing Our 2009 Ice Cream Feature Flavors

You Scream. I Scream. We All Scream for Ice Cream.

Consumers are screaming for exciting new ice cream flavors. So, we've created eight new delicious ice cream concepts designed to tantalize consumers' taste buds and grow your ice cream sales. Each concept features unique yet familiar flavors, is great tasting, and on trend. Now that's worth screaming about!

Autumn Sunset

Pomegranate, Peach and Lemon sherbets are twisted together for a sweet yet tart taste sensation with strong visual appeal

Banana Cream Pie

Mascarpone Cheese Flavored Ice Cream is twisted with fresh Banana Ice Cream and sprinkled with sugared pie crust pieces for a taste reminiscent of the classic dessert

Caramelized Pineapple

Building on the popularity of Hispanic flavors, we swirl Caramelized Pineapple Ice Cream with a sweet, rich Dulce de Leche Variegate

Cinnamon Caramel Swirl

Honey Vanilla Bean Ice Cream is swirled with a Cinnamon Caramel Walnut Variegate. Simple and delicious!

Confetti Crispy Treat

Marshmallow Ice Cream is swirled with a Crisp Rice Variegate and sprinkled throughout with colored confetti pieces. Just like the classic Crispy Marshmallow Treat snack you loved as a kid

Cowboy Cookie

Oatmeal Cookie Ice Cream is swirled with a Cinnamon Caramel Walnut Variegate and sprinkled with chocolate flakes for a unique twist on traditional cookie dough ice cream

Mixed Berry Swirl

Mixed Berry Ice Cream is swirled with a sweet and tangy Mixed Berry Variegate to deliver an exceptionally delicious ice cream with broad consumer appeal

Mocha Crunch

We blend espresso flavor and dark chocolate mousse to create a rich Mocha Ice Cream. A crunchy Chocolate Variegate adds texture to this indulgent taste sensation
