

# Gluten-Free Cereal

At SensoryEffects<sup>®</sup> Cereal Systems, one of our many specialties is producing **Gluten-Free** ingredients and finished products and we have over ten years of proving it.

We are experienced in developing cereal products and we can produce **Gluten-Free** cereals from start to finish. We can add inclusions like nuts and fruits and can pack in your retail carton. We also abide by a strict Allergen Program that makes us an effective and trustworthy business partner.

## Our Processing Abilities Include:

- Organic Processing
- Batch Cooking
- Extrusion
- Flaking
- Toasting
- Puffing
- Sugar and/or Flavor Coatings
- Vitamin Fortification

So why not let SensoryEffects<sup>®</sup> Cereal Systems help your company create a unique and delicious **Gluten-Free** cereal that your consumers can trust and enjoy?
