

Now, There's More Juice in our Punch!!

SensoryEffects[®] Flavor Systems has just acquired Juice Pac Inc, a specialty manufacturer of juice bases for the school foodservice, and other institutional markets. Together, we can now offer turn-key, branded 50% and 100% juice-based drinks used for National School Lunch and Breakfast Programs. These products are fortified with Vitamin A,C, D and calcium and are nutritious beverages that deliver one fruit/vegetable component as part of nutrient-based menu planning.

Available in a variety of flavors with kid-appeal. Use our branded names and packaging or create your own!
